RE: Update - NATCOR MAINTENANCE SHUTDOWN

Dear Valued Customer;

Please be advised that the Natcor Annual Maintenance Shutdown **might be postponed**. We will provide an update today.

We apologise for the late update, however our Rail Network team were forced to relook at their material availability as suppliers were impacted by the ongoing COVID 19 pandemic.

Should you require any further information please contact your relevant Customer Service Manager.

We appreciate your cooperation and continued support.

Kind regards

Leon De Lange
