

Exports: USA to South Africa

31 August 2021

Dear Valued Client/s

Due to the recent challenges with congestion, delays and drayage capacity across the United States, ECU Worldwide will be implementing a congestion surcharge to all South African destination ports. Effective date 15 September 2021.

USA Congestion Surcharge – USD 10 w/m

Thank you for your continued support.

Regards,

ECU Worldwide South Africa
