**\*\*\*CONTRA CONSOLIDATIONS PSS NOTICE SOB 23<sup>RD</sup> OCTOBER 2021\*\*\***

Dear Valued Customer

In line with the recent notifications received from the various carriers regarding Peak Season Surcharge/Operational Emergency Surcharge from European trade-lanes to South Africa, Contra Consolidations will implement PSS effective SOB 23<sup>rd</sup> October 2021.

The impact of global market conditions, equipment shortage, space constraints and delayed vessel scheduling has forced the implementation of a PSS fee.
