(Revised) Cape Town to Far East Service

Dear Customer,

Following the advisory sent on Monday, 25 October, we have **reinstated FW6** as the main service for our **Cape Town to Far East** routing. Essentially, we will not be routing the cargo via Durban on the Mesawa service.

Our service from Cape Town to Far East will continue being routed on the FW6 service, which is a direct route. Should the need arise, we may evaluate using the Durban option, depending on the situation on the service.

Please see below **upcoming schedules**:
