This notice serves to correct General Notice 795 of 2022 published in Government Gazette No. 45851 on 31 January 2022 with respect to the allegation of dumping.

THE PRODUCT

The products allegedly being dumped are new pneumatic tyres of rubber of a kind used on motor cars (classifiable under tariff subheadings HS 4011.10.01, HS 4011.10.03, HS 4011.10.05, HS 4011.10.07, and HS 4011.10.09) and on buses or lorries (classifiable under tariff subheadings HS 4011.20.16, HS 4011.20.18, and HS 4011.20.26) originating in or imported from the People's Republic of China.

THE ALLEGATION OF DUMPING

The allegation of dumping is based on the comparison between the normal values and the export prices from the People's Republic of China. The normal values of the subject products were determined from domestic price quotations sourced from manufacturers in the People's Republic of China. The export prices were based on official import statistics obtained from the South African Revenue Service (SARS).

On this basis, the Commission found that there was *prima facie* proof of dumping.
