

## NOTICE TO CLIENTS

### IMPORT RELEASE DOCUMENTATION & OVERSTAY DEADLINE

To adhere to the obligations which TPT has requested, we are obliged to ensure that all our clients clear their cargo and assign their container(s) to a transporter, prior to the intended vessel berthing.

This shall include but not be limited to the surrendering of all Import Release documents (complete and accurate) by no later than **24 hours prior to intended vessel berthing**. Where the deadline falls afterhours, weekend or public holiday, release documents must be submitted to MSC by no later than 15H00 on the preceding working day.

Any shipments for which complete Import release documents have not been submitted by the above deadline, will be deemed as uncleared and be moved out of the terminal as an overstay. NB: Customs/Statutory stopped containers are deemed uncleared until final presentation of authorized release.

**Note Vessel ETA are subject to changes, kindly contact MSC for daily updates.**
